

MyBudget 1.0 nearly finished

Description

Hello again,

we are proud to be able to inform you that our financial software MyBudget 1.0 is nearly finished. Bugs found and reported by our betatesters were fixed, some bugfree features have been added. You find new screenshots in the [Screenshot](#) section of our site. Check back in a few days and you'll find a demo version to download.

Sincerly yours,

Flojo Soft
